BOROUGH OF MIDLAND

5/8" METERED SERVICE

ACCOUNT NO.: _____
(office use only)

APPLICATION FOR WATER AND/OR SEWAGE SERVICE

The undersigned application, owner of the premises at:

_____, Beaver County, Pennsylvania, hereby requests to be supplied with water and/or sewage services by the Municipal Authority of the Borough of Midland, (hereafter "Authority") for the purpose shown in the application, and for no other purpose. The applicant agrees to pay for such service within 15 days after receipt of billing for metered delivery at the regular scheduled rates and agrees to comply with the Authority's rules and regulations. Such rules and regulations are made by this reference as a part of this agreement.

The applicant agrees to claim no damage on account of the stoppage of the flow of water resulting from an accident or when a stoppage is necessary to make alterations, repairs, or improvements. The applicant further agrees to claim no damage from a ruptured water or sewage line resulting from an accident and not due to the negligence of the Authority. The applicant shall keep all plumbing fixtures on his premises in good repair and shall promptly stop all leaks from such plumbing fixtures.

The applicant agrees to pay for such water services and sewage services, until such time as the applicant provides written notice to discontinue the service or gives notice to the Authority of the sale of the premises. For failure to comply with this agreement or any other part thereof, the applicant acknowledges the Authority may terminate said services to the premises in accordance with Pennsylvania law.

The minimum rate for a 5/8-inch meter is \$54.87 per month for the first 2,500 gallons.
